

## **AFGHANISTAN and the PIPELINE CONNECTION**

### **Canadian Unitarians for Social Justice**

At 12 noon on September 20<sup>th</sup> at Toronto First, **John Foster and Millie Morton** will outline a rarely told story about Afghanistan: plans for a natural pipeline to link Central and South Asia via Kandahar. With maps, quotes and humour, they will share their journey from the Kingston Unitarian Fellowship's Current Affairs Group to a press conference on Parliament Hill.

John Foster is an energy economist and author of "A Pipeline Through A Troubled Land – Afghanistan, Canada, and the New Great Energy Game," published by the Canadian Centre for Policy Alternatives. View John's latest op ed in the Toronto Star, August 12/09.
