**Goals**

**The CUC ensures that it has resources to maintain its own sustainability** in order to advance the cost-effective achievement of the following four primary goals:

1. **Enhance religious exploration and spiritual growth** grounded in the vision, principles, sources, and aspirations of the Canadian Unitarian Universalist (UU) movement;
2. **Advance socially responsible actions** to live out our vision of interdependence, love, and justice to bring benefit to Canadian and global communities;
3. **Build community resilience** so our congregations and communities are connected to each other, and thrive organizationally, economically, and socially in a diverse, multi-generational context;
4. **Strengthen local, regional, national, and global networks** of collaborative and interdependent UU congregations and communities.

## Strategic Priorities

*Within these goals, the work of CUC Staff and Board will focus on following **strategic priorities** for 2018-2019:*

- A. Ensure **sustainable revenue generation** to continue the work of building vital Unitarian communities;
- B. Optimize communications capabilities so that they are flexible, robust, and effective, with an **early focus on the CUC website** to make it a useful and appealing communications tool for both members and visitors;
- C. Advance social justice initiatives, including **truth, healing, and reconciliation amongst indigenous and non-indigenous Canadians**;
- D. Encourage innovation and sustainability in the growth and development of UU communities, **including youth and young adults** as they strive to foster a just and sustainable world and to enrich the spiritual lives of their members.
