INTRODUCTION

1. This manual belongs to the Board of Trustees of the Canadian Unitarian Council (CUC).
2. The policies contained in this manual shall be operated in accordance with: a) all relevant legislation, and b) all bylaws of the CUC. Should any conflict arise between the policies in this manual and requirements arising from legislation and bylaws, those requirements will take precedence.
3. Subject only to the above, this document is a comprehensive statement of the Board's values. Any other documentation approved by the Board prior to the adoption of this manual will remain in existence only at the option of the Executive Director or other Board officers in accordance with the authority granted to them in this Manual.
4. Any policy in this Manual may be added to, amended or deleted, as agreed by the Board at any time.
5. No policy should be read in isolation from the document as a whole.
6. The policies in this Manual express the Board's governing intent rather than its legal obligations. No claim may be made against the CUC or the Board based on what is written or implied in this Manual.
7. All further CUC policies, procedures and activities under Goals or Executive Director Limitations may be created by the Executive Director (sometimes called the ED) or the ED's delegates. Matters that fall outside these policies are automatically matters for the Board.

8. Many of these policies have been adapted from templates originally developed by John and Miriam Carver. Used with permission.¹ Some Carver terms have been changed: Global Ends are called Goals; Means are called Actions. In September 2017 the Board voted to modify the Carver model again by seeking more early consultation on major projects and hiring of staff done by the ED and by using the EDCC to foster collaborative planning. (See Appendix M.)

1. PURPOSES, VISION, PRINCIPLES, SOURCES, ASPIRATIONS, MISSION, & GOALS OF THE CUC

Purposes of the Canadian Unitarian Council (CUC):

The Statement of Purposes of the CUC printed below forms part of CUC's incorporation documents under the Canada Not-for-profit Corporations Act. These purposes were approved by CUC member delegates at the May 2016 AGM and were accepted by the Canada Revenue Agency for meeting their requirements for charitable organizations.

The Statement of Purpose of the Corporation is to promote Unitarian Universalism, Unitarianism and Universalism, in Canada and internationally, by:

1. Affirming and promoting the principles, practices, and traditions of the Unitarian Universalist, Unitarian and Universalist faiths;
2. Supporting the development and growth of Unitarian Universalist, Unitarian and Universalist religious communities;
3. Nurturing, supporting and enhancing religious communities and other groups to work together on mutual concerns for the benefit of the community; and
4. Providing basic necessities of life, including food, clean water, clothing, medical and dental care and supplies, shelter, and education, tuition and school supplies to those in need.

Vision Statement of Canadian Unitarian Universalists (CUU):

The Canadian Unitarian Universalist (CUU) Vision and Aspiration statements below were approved by delegates at the AGM on 20 May 2016. Note that CUU is a concept that includes the CUC and related organizations.

As Canadian Unitarian Universalists, we envision a world in which our interdependence calls us to love and justice.

As Canadian Unitarian Universalists:

¹ Policy Governance® is the registered service mark of John Carver. Used with permission. The ® after Policy Governance is a symbol used to protect the integrity of the principles and practices that make up the Policy Governance model. Its use does not imply any financial obligation to the service mark owner. The authoritative website for the Policy Governance model can be found at www.carvergovernance.com.

Seven principles guide our choices,
Six sources nourish our spirits,
Five aspirations help us grow.

We aspire to be:

- **Deeply Connected** - We strive to foster healthy relationships amongst and within UU communities, with the broader world and with all life.
- **Radically Inclusive** - We strive to create hospitable, diverse, multi- generational communities.
- **Actively Engaged** - We strive to work joyfully for a just and compassionate society, experimenting with new forms of community.
- **Theologically Alive** – We seek to be ever-evolving in our understanding, open to new knowledge.
- **Spiritually Grounded** – We seek transformation through personal spiritual experiences and shared ritual.

Mission of the Canadian Unitarian Council (CUC):

The following Mission Statement for the CUC was approved by the CUC Board in Sep 2016:
Growing Vital Unitarian Communities.

The following Member Value Proposition was approved by the CUC Board in Sep 2016: The CUC is a beacon for Unitarian Universalist communities across Canada, providing them with leadership, support and connection as they strive to foster a just and sustainable world and to enrich the spiritual lives of their members.

Goals and Priorities of the Canadian Unitarian Council (CUC):

The following goals and strategic priorities were approved by delegates at the 2017 AGM:

Goals

The CUC ensures that it has **resources to maintain its own sustainability** to advance the cost-effective achievement of the following four primary goals:

1. **Enhance religious exploration** and spiritual growth grounded in the vision, principles, sources, and aspirations of the Canadian Unitarian Universalist (UU) movement;
2. **Advance socially responsible actions** to live out our vision of interdependence, love, and justice to bring benefit to Canadian and global communities;
3. **Build community resilience** so our congregations and communities are connected to each other, and thrive organizationally, economically, and socially in a diverse, multigenerational context;
4. **Strengthen local, regional, national, and global networks** of collaborative and interdependent UU congregations and communities.

Strategic Priorities

- A. Ensure **sustainable revenue generation** to continue the work of building vital Unitarian communities;
- B. Optimize **communications** capabilities so that they are flexible, robust, and effective, with an early focus on the **CUC website** to make it a useful and appealing communications tool for both members and visitors;
- C. Advance social justice initiatives, including **truth, healing, and reconciliation among indigenous and non-indigenous Canadians**;
- D. Encourage innovation and sustainability in the growth and development of UU communities, with **an emphasis on youth and young adults** as they strive to foster a just and sustainable world and to enrich the spiritual lives of their members.

2. GOVERNANCE PROCESS

2.1. Global Governance Commitment –

The CUC Board governs on behalf of its legal owners who are CUC's member congregations. The CUC Board seeks to further CUC members' overall vision, principles and collective best interests in everything it says and does by ensuring that the CUC achieves appropriate results with appropriate cost-efficiency in accordance with its articles, bylaws, Statement of Principles, other agreements and resolutions of the CUC's members, and all relevant legislation.

2.2. Governing Style –

The Board will approach its task with a style which emphasizes outward vision rather than an internal focus; encouragement of diversity in viewpoints; strategic leadership more than administrative detail; clear distinction of Board, staff, and volunteer/committee roles; planning for the future, and pro-activity rather than reactivity.

2.3. Policy Control –

The Board will direct, control and inspire the organization through policies that reflect the organization's broadest values and perspectives.

2.4. Ends Context –

The Board will focus chiefly on intended long-term impacts rather than the programmatic means of attaining those goals.

2.5. Board Planning –

The Board shall decide upon an annual calendar each year. This calendar shall include:

- 2.5.1. Dates and times of face-to-face and on-line Board meetings.
- 2.5.2. The Board's plans for linking with its legal and moral owners;
- 2.5.3. The Board's plans for policy development and review including, particularly an annual Goals review;
- 2.5.4. The Board's schedule for monitoring the Executive Director's compliance with its Goals and Executive Limitations policies and annual Executive Director evaluation;
- 2.5.5. The Board's plans for monitoring its own compliance with its Governance Process and Board-Executive Director Relationship policies (regarding the behaviour of the Board as a whole, individual Board members, Board officers, and Board committees);
- 2.5.6. The Board's plans for its own education including orientation of its new members.

2.6. Board Development –

The Board will encourage the behaviour needed to govern with excellence using the modified *Policy Governance*® system and ensure the continuance of its governance capability through retraining and continuing education.

2.7. Board Evaluation –

The Board will monitor and discuss the Board's own processes and performance in comparison with its policies on Governance Process and Board-Executive Director Relationship in the form of an individual and group self-reflection exercise conducted by the Chair at least annually.

2.8. Board Exit Interviews –

The Board shall offer exit interviews to all departing Board members and shall use the information from exit interviews as part of the annual Board Evaluation.

2.9. Covenantal Relationships –

The CUC Board may enter formal covenantal relationships with communities of moral owners to articulate shared aspirations and respective obligations.

See Appendix N for the CUC Board and UUMOC Executive Covenant.

See Appendix O for CUC procedures for entering covenantal relationships with selected moral owners.

2.10. Annual Meetings

2.10.1. Annual Meeting Agendas are set in accordance with the CUC Bylaws and the Canada Not For Profit Corporations Act.

2.10.2. Agenda items for each Annual Meeting are recommended by the Board, reviewed by delegates prior to or at each Annual Meeting, amended if necessary by a majority vote of delegates, and approved by delegates at the beginning of each Annual Meeting.

2.10.3. Establishing action plans as follow-up to motions passed at Annual Meetings shall be the joint responsibility of the Executive Director and the Board and shall be tracked using a Goals and Actions Alignment Chart or similar document approved by the Board.

2.11. Owner Engagement – The board is committed to engaging regularly with CUC’s legal owners (its member congregations) as well as its moral owners whom the board takes to include UU youth; young adults; ministers; religious educators; Lay Chaplains; social responsibility groups; and the *National Voice Team* (comprised of the CUC President, CUC Executive Director and the Unitarian Universalist Ministers of Canada (UUMOC) President).

2.12. Board Members’ Interaction with Congregational Leaders –

Individual Board members are expected to keep in contact with presidents of congregations and ministers in their respective regions. Occasionally, Board members may expect to speak at Sunday services, do presentations, or meet with congregations in their regions to address specific issues or areas of concern related to the Board’s work.

2.13. Executive Director Consultations –

The Board recognizes that the Executive Director is also likely to consult with the CUC’s legal and moral owners while developing and implementing his or her strategy for Goals fulfillment and compliance with Executive Limitations. The Board welcomes such consultation for gathering the input of the CUC’s owners as consumers of the CUC’s services. However, the Board will strive not to confuse input designed to help

the Executive Director do his or her operational job with input designed to help the Board do its governing job.

2.14. Board Officer Roles –

The roles of the Officers required by Section 6 of CUC's *General By-law* shall be designed to support the Board in fulfilling its duties.

2.14.1. President –

The President, as chairperson of the Board, is accountable for the integrity of the Board's process and, secondarily, occasionally represents the Board to outside parties.

2.14.1.1. Extent of authority – The job of the President is to ensure that the Board behaves consistently with its own rules and those legitimately imposed upon it from outside the organization. The authority of the President therefore consists of making decisions which fall within and are consistent with any reasonable interpretation of Board policies on Governance Process and Board-Executive Director Relationship, except where the Board delegates portions of this authority to others.

2.14.1.2. Authority over Executive Director – The President has no authority to make decisions about policies created by the Board within the policy areas covered by Goals and the Executive Director Limitations. [See Section 1 and Section 4.] Accordingly, the President has no authority to direct the Executive Director, except through the process outlined in section 3.3 *Board Members' Handling of Concerns*.

2.14.1.3. Authority to speak for the Board – The President may represent the Board to outside parties in announcing Board-stated positions and in stating decisions and interpretations within the area delegated to him or her. The President, or the Vice-President when replacing the President in the cases mention in the *General Bylaw*, is the only elected Board member authorized to speak officially for the Board to outside parties beyond the membership and to interpret Board decisions to members, other than in specifically authorized instances. This provision includes statements made by the *National Voice Team* (comprised of the CUC President, the CUC Executive Director, and the Unitarian Universalist Ministers of Canada (UUMOC) President).

2.14.2. Vice President -

The Vice President shall be responsible for the performance of those duties set out in section 6.2 of the *General By-law*.

2.14.3. Secretary –

The Secretary shall be responsible for the integrity of the Board’s documents as set out in sections 6.2.3 and 6.2.4 of the *General By-Law* and the following Board policies:

2.14.3.1. Custody & upkeep of documents – The Secretary shall ensure the safekeeping and updating of all Board and Council documents, including all ByLaws, member resolutions, policies, Board and Council meeting records, and all documents pertaining to the Executive Director’s employment.

2.14.3.2. Prior to Annual Meetings - The Secretary shall ensure that a *Call to Meeting* is prepared and sent to the Membership in advance of the date of the Annual Meeting within the time frame specified in section 3.5 of the *General By-law*.

2.14.4. Treasurer –

The Treasurer shall be responsible for the performance of the duties set out in section 6.2.5 of the *General By-law*, and in particular:

2.14.4.1. Financial signing authority - The Treasurer shall be a signing authority on behalf of the Board when required for financial matters.

2.14.4.2. Policy education & advice - The Treasurer shall assist the Board in the development of its policies regarding financial management.

2.14.4.3. Policy monitoring - The Treasurer shall assist the Board in assessing the adequacy of monitoring reports on the above policies.

2.14.4.4. Investment decisions - The Treasurer has the authority to make decisions regarding the investment of CUC capital funds between meetings of the Board. For routine matters, the Treasurer may in turn delegate this authority to the CUC Financial Administrator through the Executive Director but remains accountable for the use of this authority.

2.14.4.5. Investment policy monitoring - The Treasurer shall meet with the Investment Manager and ED at least once per year to directly inspect compliance with this Policy Manual.

2.14.4.6. Link to Board on investment matters - The Treasurer shall act as the link between the Board and the ED and/or the Investment Manager/Broker on all matters related to CUC’s investments.

2.14.4.7. Presentation to Annual Meeting - The Treasurer, on behalf of the Board, shall present and explain to the Annual Meeting:

- a) The Board’s investment policy decisions and the performance of the investment portfolio over the preceding year;
- b) CUC’s Audited Financial Statements for the preceding year;
- c) The current year’s budget and significant variances; and
- d) The subsequent year’s budget.
- e) The Treasurer shall also propose the motion to appoint the Auditor.

2.14.5. Past President –

As specified in Section 5.3.2 of the General Bylaw, the Board may at its discretion appoint the immediate past President as an additional member, in which case such person (a) holds office, as a voting member of the Board, until the next Annual General Meeting, (b) shall act as a consultant to the President, and (c) may also, by agreement, undertake projects and other aspects of Board business as established by the President and the Board from time to time.

2.14.6. Board Liaison Members–

The Board may appoint members to serve as liaisons with volunteers, staff and other organizations for designated subject areas deemed to be important to the CUC, including, but not limited to, *social responsibility, religious education, ministry, youth services, democratic processes, communications, and leadership*. In such cases, the duties of the Board Liaison Member will be to communicate with staff, volunteers, and others active in the designated subject area, and to advise the board regarding policy and action plans in that area. Board Liaison Members act in accordance with general *Board Liaison Guidelines* or subjectspecific guidelines periodically reviewed and approved by the Board. (See *Appendix E: Board Liaison Guidelines*.)

2.15. Individual Board Member Conduct –

Board Members are charged with the responsibility of governing the CUC and must behave in a manner commensurate with their roles as trustees.

2.15.1. Board of Trustees Oath of Office (part of *Board Covenant*) -

Board members must understand the responsibility and honour inherent in the position, and accept that charge willingly. Board members must affirm that they are committed to creating an environment that is safe, respectful, and open, where they can engage in meaningful conversation and productive Board work. This affirmation is done by signing the *Board of Trustees Covenant* administered at each Annual General Meeting. (Cf. Appendix F, *Board of Trustees Covenant*).

2.15.2. Confidentiality –

Board Members have access to confidential and sensitive information while performing their duties. The CUC adheres to guidelines for confidential information that govern charities and other non-profit organizations and in addition, maintains its own standards of confidentiality. The CUC expects its staff and volunteers to keep this information in the strictest confidence. These expectations are outlined in the *Board of Trustees Covenant* appended to this Manual. It is a requirement of Board membership that Board members affirm their commitment to confidentiality by signing the *Board of Trustees Covenant*. (Cf. Appendix F, *Board of Trustees Covenant*).

2.15.3. Email Use –

Board members must abide by the following guidelines on use of email:

- a) CUC email addresses should be used for CUC purposes only;
- b) Up to date virus protection must be maintained;
- c) Any communication posted to a Board email group shall be treated as confidential to the Board unless specifically noted as public;
- d) If email is not being checked regularly by a member, this should be noted by an automatic email reply.

2.16. Board Meeting Conduct –

Board meetings shall be conducted with proper regard to the democratic process.

2.16.1. Types of Board Meetings –

The Board shall organize its meetings with due regard to the desirability of transparency and the need to protect members' best interests using a combination of face-to-face and on-line meetings as it deems appropriate. Written notice of any meeting shall be mailed to each Board member in accordance with the *General Bylaw*, or sent electronically (if each Board member has consented to such sending, for example by signing a consent of the type shown in Appendix K), unless such notice has been waived (for example by signing a waiver of notice of the type shown in Appendix L).

2.16.1.1. Open Meetings – When the Board meeting is open, all discussion can be observed. Discussion may be recorded in the minutes and made public.

2.16.1.2. Closed/In Camera Meetings –

Closed or in-camera meeting discussions involve any topic that might infringe on the privacy of an individual or organization.

- a) No one other than voting Board members may attend unless agreed by the Board;
- b) No one other than voting Board members may receive any information pertaining to the meeting unless agreed by the Board;

2.16.1.3. **Face-to-Face meetings** are those where all Board members are invited to be present in one place in a traditional meeting. Electronic meetings are those where one or more or all members attending the meeting do so by computer or by other means of communication; electronic meetings may only be held if all members of the Board consent to the holding of the meeting in that fashion and the Board has passed a resolution specifying the procedure to be followed (see Appendix J).

2.16.1.4. **Email Motions** – When the Chair deems that a motion to the Board is sufficiently pressing that it cannot wait until the next Board meeting, the Board may discuss and vote on the motion by email. Where a Board decision by email is undertaken, the protocol shall be:

- a) The Chair circulates the proposed motion, with a call for a seconder, if required. The email Subject line clearly states a MOTION by Board members is being proposed.
- b) A minimum of 48 hours is allowed for discussion or amendments.
- c) The final motion is circulated to Board members in an email with the Subject line clearly stating that a VOTE by Board members is being called.
- d) Board members are asked to record their vote within 48 hours.
- e) The Chair must receive at least as many email votes as constitute a quorum for a regular Board meeting.
- f) The Secretary records and retains the results of the on-line vote.
- g) The Board members ratify the vote at the next Board meeting.

2.16.2. Observers to Board Meetings –

The Board welcomes observers at its open meetings.

2.16.2.1. **Official Observers** - Official Observers are those persons recognized by the Board as representing a particular group within the council, such as the Youth Observer, or as representing another organization, affiliate or group invited to the meeting by the Board, such as the UUA.

- a) When the Official Observer is to participate on a regular basis at all Board meetings, the Board expects that the selection of the representative will be through a democratic process or appointment. The Board reserves the right to determine which organizations will be granted official observer status.
- b) Official Observers are invited to take part in discussion during all open parts of the meeting following the rules of order as adopted by the Board.
- c) Official Observers do not have a vote on motions.
- d) Official Observers must agree to and sign an *Official Observers Covenant* affirming their agreement to adhere to the same standards of confidentiality, conflict of interest and oath of office as Board Trustees. (Cf. Appendix G: *Official Observer Covenant*).

2.16.2.2. Youth Observer to the Board (YOB) - The Board has a Youth Observer whose role is to bring a youth perspective to the Board.

2.16.2.3. Youth Observer Selection Process – The Youth Observer to the Board is selected for a one-year term commencing in May through a process determined by CUC staff in consultation with the CUC youth community. A YOB may serve up to two consecutive years.

2.16.2.4. Youth Observer Liaison/Buddy - The Board shall appoint a YOB liaison/buddy to work with the YOB for the duration of the term.

2.16.2.5. UUMOC Observer - The Unitarian Universalist Ministers of Canada shall be invited to appoint an official Minister Observer to the Board (MOB) for a one-year term commencing in May. A MOB may serve up to three consecutive years.

2.16.2.6. Staff Observers to the Board – Members of CUC staff may be invited to attend and participate in Board meetings at the discretion of the Board and the Executive Director with the intention of helping to create clear communications and shared understandings amongst Board and Staff members. Participation by staff may take the form of consultations, presentations or observation. Staff Observers are expected to adhere to the same standards of confidentiality, conflict of interest and oath of office as Board Trustees.

2.16.2.7. Unofficial Observers – Members of CUC member organizations, members of UUMOC, and other unofficial observers may attend and participate in the proceedings of the meeting at the discretion of the Board.

2.16.3. Board Meeting Agenda Development

Board meeting agendas shall take account of and reference all relevant Board policies and the Board's Annual Calendar and include the following:

- 2.16.3.1. **Required Approvals** - Any matters that duly authorized bodies require the Board to determine but which have been delegated to the Executive Director shall be placed on a *Required Approvals Agenda* along with relevant *Goals and Executive Limitations Policy Monitoring Report* assurances. All such matters shall be taken as one motion without discussion unless a motion to remove the item from the *Required Approvals Agenda* is approved by threequarters of Board members present.
- 2.16.3.2. **Goals and Actions Alignment Charts** – Executive Director monitoring reports and Board Monitoring Reports are prepared as part of an overall *Goals and Actions Alignment Chart* which is developed jointly by the Board and the Executive Director and reviewed on a schedule set by the Board. (Suggested schedule: January, April and September.)
- 2.16.3.3. An updated *Goals and Actions Alignment Chart* will be circulated to all members at least a week prior to the meeting at which they will be discussed.

 - 2.17.2. Board committee *Terms of Reference* principles - Every Board committee shall have written terms of reference set out in Board policy or approved by the Board and referenced in the relevant Board meeting minutes. In each case the Board shall:
 - a) establish the committee's composition and intended purposes
 - b) if applicable, establish a time frame; and
 - c) appoint the Chair.
 - 2.17.3. Unless otherwise stated, a board committee ceases to exist as soon as its task is complete.
 - 2.17.4. Representation of the Board - Board committees shall not speak or act for the Board except when formally given such authority, which will be carefully stated.

Board committees shall provide information on options for the Board but cannot make the final decision on policy issues.

2.17.5. Authority over Executive Director - Board committees shall not exercise authority over the Executive Director. Because the Executive Director works for the full Board, he or she will not be required to obtain approval of a Board committee before an executive action.

2.17.6. Limits of the Board Committee Policy - This policy does not apply to committees formed under the authority of the Executive Director, regardless of whether Board members sit on those committees.

2.18. **Board Committees** – Board committees are formed in accordance with Section 7 of the *General By-law*. The Board has the following Standing and *Ad Hoc* Committees:

A Nominating Committee that is responsible for identifying suitable candidates for Board roles is appointed by delegates at each Annual General Meeting under the provisions of section 7.1 of the General By-law. The Board officially appoints the Chair of the Committee (General By-Law 7.1.8), supports and co-operates with the Nominating Committee, provides information on positions coming open in the short and long term, and helps with orientation of prospective board members. Retiring board members complete exit interviews conducted by members of the Nominating Committee. (Cf. Section 2.8.)

The method for determining the amount shall be reviewed every three years, starting with 2012, for the 2013-2015 budgets. (The existing method is documented under Annual Payout Rate as of December 2011.)
- 2.19.7. Development Allocation - The board shall determine the amount of any further allocation of investment fund monies for development or other purposes. (The current allocation plan is documented under Development Allocation Plan – 2010-2014.)

- 2.20.2. This amount will be proposed by the Board in March of each year, for ratification by the Members at the Annual Meeting.

2.21. Cost of Governance - Because good governance is fundamental to the CUC's success, the Board will invest in its governance capacity.

- 2.21.1. Board Skills, Methods & Support - Board skills, methods, and support will be sufficient to assure governing with excellence.
- 2.21.2. Training & Retraining - Training and retraining will be used to orient new Board members and candidates for membership, as well as to maintain and increase existing Board member skills and understandings.

- 2.21.3. Outside Monitoring Assistance - Outside monitoring assistance will be arranged so that the board can exercise confident control over organizational performance. This includes, but is not limited to, fiscal audit.

- 2.22.1. Form of Claims - Expenses must be claimed on a Board Expense Form, supplemented by actual receipts specifying the expense and the amount of taxes included, save for claims for automobile mileage, parking meters, urban mass transit, and tips where receipts are not feasible. Where a cash advance has been received toward such expenses, this shall be specified on the expense form.
 - 2.22.2. Timing of Claims - Forms should be submitted in a timely manner: within two weeks if possible, and in any case well before the next Board meeting in order to allow an accurate accounting of Board expenses to date, and certainly before the end of each fiscal year.

3. BOARD-EXECUTIVE DIRECTOR RELATIONSHIP

3.1. Global Board-Executive Director Relationship

The Board's sole official connection to the operational organization, its achievements and conduct will be through a chief executive officer, titled Executive Director, who is hired by and accountable to the Board of Trustees as confirmed through a contract approved by the Board and signed by the Executive Director and Board member authorized by the Board and as overseen by the Executive Director Contract Committee (See section 2.18.1)

3.1.1. Executive Director Accountability –

The Executive Director is the Board’s only link to operational achievement and conduct, so that all authority and accountability of staff and volunteers working with staff, as far as the Board is concerned, is considered the authority and accountability of the Executive Director.

3.1.2. Board Does Not Instruct Staff & Volunteers –

The Board will never give instructions to persons who report directly or indirectly to the Executive Director.

3.1.3. Board Does Not Evaluate Staff & Volunteers –

The Board will not evaluate, either formally or informally, any employee or volunteer other than the Executive Director but may give feedback to the Executive Director on staff performance. (See section 3.3.)

3.1.4. Board Evaluation of Executive Director –

Organizational accomplishment of Board stated Ends and avoidance of Board proscribed means, situations and actions will be viewed as successful Executive Director performance.

3.1.5. Board Readiness in Event of Loss of Executive Director –

The Board will review at least annually its readiness in the event of Executive Director resignation or termination.

3.2. Instructions to the Executive Director –

3.2.1 Only officially passed decisions of the Board are binding on the Executive Director.

3.2.2 Delegation to the Executive Director

The Board will instruct the Executive Director through written policies which prescribe the organizational outcomes to be achieved (in Goals policies) and prescribe organizational situations and actions to be avoided (in Executive Director Limitations policies, allowing the Executive Director to use any reasonable interpretation of these policies).

3.2.3 Systematic Policy Development

These policies will be developed systematically from the broadest, most general level to more defined levels.

3.2.4 Minimum Necessary Executive Limitations

Appendix A. Capital Funds

Last revised: Oct 2017

Capital Funds refers to monies which are held in long-term reserve, and invested with the intention of earning income for the annual CUC budgets and programs. All capital funds are invested together in a General Investment Fund. For internal accounting purposes the General Investment Fund is divided into an Unrestricted Reserve Fund, a General Endowment Fund, and several special-purpose restricted trust funds.

1. GENERAL ENDOWMENT FUND

Another portion of the General Investment Fund is designated as the General Endowment Fund. This consists of specified endowment donations; it is internally restricted to preserve its real capital value: only net income after inflation earned on this capital may be transferred to the operating budget of the CUC.

2. SPECIAL PURPOSE ENDOWMENTS AND FUNDS

The General Investment Fund includes a number of special purpose, restricted endowments and trusts described below, whose real capital value is to be preserved as above. These special purpose trusts receive a pro-rata share of whatever net real income from investments is earned each year, in addition to the required inflation premium. This income is then distributed by the CUC according to the purposes of each trust. See Appendix B below.

3. UNRESTRICTED FUND

One portion of the General Investment Fund is known as the Unrestricted Reserve Fund. New unrestricted contributions of capital are added to this fund, and all income realized from investments is capitalized into it. Any required withdrawals of either investment income or capital are taken from this fund, as per the Board Investment Policy. These shall include an annual transfer to the General Endowment Fund and each of the special purpose trusts of an amount sufficient to maintain their real value after inflation. Withdrawals from the Unrestricted Reserve Fund will also include payouts of net investment income in excess of inflation to be made to the operating budget and to the special purpose trusts; the total amount of such payouts to be made from net investment income after inflation is decided every three years by the Board on recommendation of the CUC Treasurer and the Investment Manager. Withdrawals from the Unrestricted Reserve Fund may also include withdrawals of capital to cover operating deficits.

Appendix B: Special Purpose Endowments and Funds

1. AVALON FUND

A grant of money made to the CUC by Ed and Elinor Ratcliffe in 2000, the income and capital of which are to be used to foster the vitality and growth of the Avalon Unitarian Universalist

Fellowship in St. John's Newfoundland, or in the event the Avalon fellowship ceases to operate, to support the establishment of a UU presence in Newfoundland. Fund monies are invested with other CUC capital funds pending distribution, as per the CUC Investment Policy.

2. CONGREGATIONAL INVESTMENT FUNDS

Congregations may choose to deposit some or all of their endowment or other funds with the CUC, to be held in trust for the congregation, and invested on their behalf by the CUC to earn income for that congregation's endowment. Such funds are commingled with the CUC General Investment Fund, and are invested according to the CUC Investment Policy.

3. DISSOLVED SOCIETIES FUND

Member societies that dissolve transfer their assets after dissolution to the CUC, where they are held in trust for up to ten years in a separate account reserved for distribution to any new congregation that may become established in the same geographical area, on terms to be determined on a case-by-case basis by the Board.<sup>[L]

4. NANCY AND VICTOR KNIGHT FUND

In 1996 funds were received for the purpose of establishing a perpetual fund to honour the ideals exemplified by the lives and work of Nancy and Victor Knight in furthering the principles of Unitarianism and Universalism in Canada. An award is to be made annually from the income of the fund at the Annual Conference and Meeting of the CUC to a living person, who has made a notable contribution to furthering liberal religious principles in Canada. Who is to receive the award, and the gift to be awarded, are selected by the Board on the recommendation of a selection committee comprised of previous winners of the award. Fund monies are invested with other CUC capital funds as per the CUC Investment Policy. The fund is protected from inflation by a transfer from the unrestricted fund each year, and a pro-rata share of investment income after inflation is added to this fund each year.

5. PERCY SIMPSON BAILEY FUND

According to the wishes of the donor the principal of the fund is to be kept intact and the income to be used for the work of the 'Unitarian Church in Canada', in a manner to be determined from time to time by the CUC. In 1990 the Board decided that the fund would be protected from inflation by capitalizing a portion of the income annually and that the balance of the income would be transferred to the theological education fund each year. Fund monies are invested with other CUC capital funds as per the CUC Investment Policy.

Appendix F: Board of Trustees Covenant

Last revised: 2008; Sep 2015

As members of the CUC's Board of Trustees, we are charged by the member congregations of the Canadian Unitarian Council with the responsibility of governing the business of the Council and with the overall management of its resources and finances.

We understand the responsibility and honour inherent in this position, and accept this charge willingly. We enter into covenant with each other as board colleagues; this covenant will guide

our relations with each other, creating an environment that is a safe, respectful, and open one where we can engage in meaningful conversation and productive board work.

In my interactions with my board colleagues, staff and volunteers, I will:

- Be guided by the principle of belief in the inherent worth and dignity of every person
- Be open and curious rather than judgmental
- Listen actively and respond with consideration
- Attempt to balance compassion and honesty in considering other viewpoints
- Address differences of opinion or conflict with the person concerned in a respectful manner, and focus on finding solutions. If the matter remains unresolved, I will follow up as necessary with the President of the Board or another member of the Executive Committee

In my role as a Trustee, I:

- a) will make all reasonable efforts to attend Board meetings. If I am not able to, I will inform the President of the Board;
- b) will participate in a conscientious manner in discussion, initiatives and projects undertaken by the Board to the best of my ability;
- c) will use my skills and gifts to contribute to the work of the Board. If necessary, I will undertake to cultivate the required skills to fulfill my duties;
- d) will examine honestly any other areas of discomfort or disagreement I might have, and bring them forward for discussion in an appropriate, open and non-threatening manner. I will respectfully request the same of other Board members;
- e) am aware that, when acting in the capacity of a Board member, my primary loyalty is to the Canadian Unitarian Council. I bring a unique set of perspectives and values to the Board from my personal experience and region; this accountability to the CUC may come into conflict with other affiliations that I have. To the best of my ability, I will maintain loyalty to the CUC; if I am unable to, I will withdraw from the discussion or situation, and inform the appropriate parties as necessary;
- f) will respect and participate in the democratic processes of the Board and the CUC. Specifically, I understand that the Board expects its members to adhere to Board decisions, and I will respect this. I agree to speak as “one voice” on Board and Council policies and decisions outside the Boardroom, and agree to make no efforts to undermine or speak against those decisions. If I am not able to do so, I will seek the necessary counsel from the President and other colleagues, and consider options for dealing with the situation, including mediation or resignation from the Board;

- g) will bring forward to the appropriate person (President or other Executive member) any concerns or difficulties I might have about my membership on the Board, and be open to exploring solutions;
- h) will avoid any conflict of interest with respect to decisions relating to financial and other assets:
 - o I understand that there must be no direct or indirect dealing or any conduct of private business or personal services between the organization and me except as procedurally controlled to ensure openness, competitive opportunity and equal access to “inside” information;
 - o I must not use my position to obtain for myself, family members or close associates, employment within the organization;
 - o Should I be considered for employment, I must withdraw from the Board deliberation, including voting and access to applicable Board information.
- i) may not attempt to exercise individual authority over the organization except as explicitly set forth in Board policies. My interaction with committees, the Executive Director, or with staff must recognize the lack of authority in any individual Board member or group of members except as agreed upon in previously approved processes;
- j) will only reflect that which is consistent with Board policy in my interactions with the public, press or other entities on behalf of the Board;
- k) will make no individual judgment of the Executive Director and other staff performance except as that performance is assessed against explicit policies by the official process;
- l) recognize that I will have access to confidential information. Confidential information may consist of legal, financial or personnel matters, reports on individual congregations, or other issues designated as confidential by the Board. I will treat all such information as confidential and will not discuss this in any context outside the parameters of executing my responsibilities as a Trustee. I will continue to maintain this confidentiality after my term on the CUC Board ends

I understand that it is a condition of membership on the CUC Board for Trustees to sign the Board Covenant and Confidentiality Agreement.

I have read, understood, and agree with the principles described in this covenant. To the best of my ability, I will conduct my behaviour on Council matters according to this agreement.

Appendix J: Board procedures for electronic meetings

Revised and approved by the Board 15 May 2015

(To be reviewed, amended and approved by the board annually in May and signed by each Board member)

Resolution of the Board of Trustees concerning electronic meetings of the board

WHEREAS both the CUC’s governing statute and its general by-law provide in effect that the Trustees may, if all the Trustees consent, hold a meeting entirely by teleconference or other electronic means that permit each Trustee to communicate adequately with each and all the others, provided that each Trustee has equal access to the specific means of communication to be used and that the Board of Trustees has passed a resolution addressing the mechanics of holding such a meeting and dealing specifically with how security issues are to be handled, the procedures for establishing quorum and recording votes;

RESOLVED, subject to the consent of all the Trustees for the holding of such a meeting, that the following rules be and are hereby adopted for such purpose:

1. The meeting shall be organized by the Executive Director or another CUC officer using the software made available for such purpose by the USA provider known as Zoom Video Communications and already in use by the board (or such equivalent software as may from time to time be approved by the board).
2. It is understood that the software allows each person attending the meeting to log in by computer, telephone or other electronic device using an access code supplied by the person organizing the meeting, and
 - (i) if using a device not transmitting the person's image, to hear and be heard by all the other participants;
 - (ii) if using a device transmitting the person's image, to hear and be heard by all the other participants, and to be seen by other participants using a device adapted to such purpose;
 - (iii) if using one or more devices adapted to such purpose, to hear and be heard by all the other participants, and to be seen by other participants using a device adapted to such purpose, and to view onscreen the documents displayed, and the comments transmitted in writing, by other participants.
3. In the days preceding any such meeting, the person organizing the meeting shall provide to each Trustee, and to each other person entitled to attend, the site links and access code necessary for logging in to such meeting either by computer or other device or by phone.
4. The board shall continue using its existing colour-coded system of signals that allows each person attending the meeting to request a chance to address the meeting, to express reservations about the topic under discussion, to express agreement or disagreement with any proposal, or to object to the procedures being followed at the meeting; it being understood that the software, as in the case of that currently in use, shall be such as to allow each person attending the meeting to send to the meeting as a whole, at the very least, a one-word message signalling one of the applicable colours, if not a longer text in the nature of a chat. The board may at any time, by resolution, replace the then existing system by a new one.
5. The presence of a quorum shall be established by the chair at the opening of any meeting. If any Trustee raises a question as to the identity of any person participating in the meeting, the chair shall take reasonable steps to resolve such issue. If at any point during the meeting a quorum no longer exists, the meeting shall be either terminated or adjourned to a later time.
6. In the event of a vote on any issue, such vote shall be conducted using the signal system mentioned above, and the declaration of the chair as to the result of the vote shall be conclusive.

The foregoing resolution is hereby adopted in writing by the Trustees in office on: DD May YYYY, with effect as of that date, as witness their signatures below. [Names and signatures of each trustee.]

This covenant recognizes that:

1. Continue the affiliate relationship of CUSJ to the CUC, recognizing that the CUSJ is an independent, legally separate organization from the CUC; and that the CUC is not in any way responsible for programs, activities, or finances of CUSJ.

2. Communicate clearly so that there will be no suggestion by CUSJ in print, word, or deed, that it speaks or acts on behalf of the CUC or the Canadian UU movement as a whole. CUSJ's public actions are fully reported on the CUSJ website.
