

## **CUC Pledges Solidarity with Wet'suwet'en**

First published January 10, 2019

The Canadian Unitarian Council has joined thousands of organizations and individuals pledging solidarity with the Wet'suwet'en Hereditary Chiefs, who are blocking the development of a Coastal GasLink pipeline on their traditional territories in northwestern British Columbia:

1. WE COMMEND the courage and vision of the Wet'suwet'en Hereditary Chiefs and their community of activists.
2. WE ARE WATCHING across the province, country and internationally.
3. WE DENOUNCE any attempt by Coastal GasLink Pipeline, the federal government, provincial government or RCMP to interfere in the rights of the Wet'suwet'en to occupy, manage or maintain their lands.
4. WE URGE that any and all actions taken by the federal and provincial government, industry, and policing agencies must be consistent with the United Nations Declaration on the Rights of Indigenous Peoples and Anuk Nu'at'en (Wet'suwet'en laws) and collective Title.
5. WE PLEDGE support to the frontline land defenders and affirm the collective hereditary governance of the Wet'suwet'en who are enforcing Wet'suwet'en laws on their unceded lands.
