Dear Canadian Unitarian Council,

For thousands of years, I have held the title of “virgin”. I am much more than my sexuality and I no longer wish to be defined solely by this role.

Upon learning about the Canadian Unitarian Council and hearing that you may have positions with various titles available, I was eager to contact you with my interest. I am confident that my experience aligns with your council's needs and position requirements. From reading your council website, I feel your core mission and culture suit what I offer as a professional.

My attached resume outlines all that I could offer your organization. As you can see, I have held several management positions, many of them simultaneously. My previous roles have strengthened my capabilities in collaboration and management, including a keen attention to detail and accuracy, making me an ideal fit for any number of available positions.

I am excited at the prospect of bringing my talents to the forefront of the Canadian Unitarian Council and working together to enact change that would remove the focus on a person's sexuality and instead would honor all of their God-given gifts and talents. I urge you to consider a position and title that would be more appropriate in honoring the blessings from God not only for myself, but for all of God's children. I look forward to hearing from you, at your earliest convenience, to discuss how my experience and qualifications will prove valuable in any number of possible roles.

Thank you for your time and consideration.

Sincerely,

Mariam “Mary” bat Joachim
