Part-Time Program Coordinator Westwood Unitarian Congregation

Westwood Unitarian Congregation is a welcoming, nurturing and inclusive community where people may experience freedom of religious thought, spiritual development, hope and inspiration. Westwood lives and shares Unitarian Universalist principles through spiritual growth, learning, social justice, care and compassion. We are seeking a creative, organized individual to co-ordinate Sunday morning services from October 2022 to June 2023, with the possibility of an extension into 2024. You will work with our Sunday Services and Music Advisory teams to create dynamic, spiritually meaningful services. You will find and orient speakers and coordinate other elements throughout the year with the opportunity to be a speaker if desired. Most of the work can be done from home at flexible times and could be done while you hold other positions. You may need to be present for occasional Sunday mornings. You will provide your own tools, computer, and workspace. The successful candidate will have familiarity and comfort with Unitarian Universalism and it's openness to a wide range of spiritual beliefs underpinned by common principles. You will be able to craft information to be shared in social media and be open to preparing brief informal videos.

6-8 hours (negotiable) per week starting immediately to June 30, 2023
Remuneration is negotiable based on qualifications and experience.

Applications open immediately until a suitable candidate is found.
